"Absence of self-confidence is the cause of all miseries and troubles man encounters in the world. One should have confidence in his own inner Self that is the Aathma. If one has this self-confidence, he will have self-satisfaction, which will lead to self-sacrifice. Self-sacrifice leads to liberation or Self-Realisation. Everything is based on "Self" and everyone is Aathmaswaruupa (embodiment of the Self)." - Baba
