Professor Anil Kumar Kamaraju

Professor Anil Kumar is one of those rare individuals who has been blessed by Sathya Sai Baba to observe and absorb His message from such close quarters and for such a long time. He is best known all over the world as the translator of Swami's discourses from Telugu to English and as the author of 20 books in English and 6 books in Telugu on Swami's message, mission, and teachings for leading an ideal human life. He last spoke in our region in 2001 and Swami has blessed us by sending him back again.

Mrs. Vijaya Lakshmi Kamaraju

Mrs. Vijaya Lakshmi Kamaraju has been an ardent devotee of Sri Sathya Sai Baba for a very, very long time and a constant support for her husband, Professor Anil Kumar, as they immersed themselves in the service of our beloved Swami for over 33 years. She has authored 4 books in Telugu which are translations of Professor Kumar's talks on Sai Baba's mission and message. She is a loving mother of three daughters and one son and the grandmother of seven grand children. We are excited to have her with us for this mini retreat.

Dr. Sue Evans

Dr. Sue Evans first saw Sai Baba in 1976 and has made many trips to the feet of our Lord, making her home in Prasanthi Nilayam since May 2004. She has dedicated her time and energy working for the Easwamma Women's Welfare Trust (EWWT) currently serving as the editor of the EWWT journal. Dr. Evans writes and edits her own books as well as editing numerous books for other women. She has served as President of the Tucson Sai Baba Center. Dr. Evans has much wisdom and deep inner understanding of Swami's teachings and we are blessed to have her again.

All are welcome. Be sure to join us for this very special mini retreat!
