Preface

Pranams at the Lotus Feet of Bhagavan

With love and reverence, we humbly offer the '108 Devotional Song Guidebook' to our beloved, omnipresent Bhagavan. He has inspired us to prepare the Guidebook to aid children and adults select devotional songs (bhajans) according to complexity. An Audio file (mp3 CD) of the devotional songs from the guidebook accompanies the guidebook to facilitate learning.

The Guidebook categorizes 108 familiar devotional songs into three levels (Levels 1, 2 and 3) in order of complexity. Songs are arranged in alphabetical order within each level. Level 1 consists of bhajans that are simple, easy to pronounce and contain 3 to 4 lines. All words fall on the beat and tunes are repeated within the lines. These are easy to learn by repeated listening to the audio recording. Level 2 bhajans are usually 4 to 6 lines, and may have a variation in tune. Most of the bhajans have words on the beat. Level 3 bhajans have 5 or more lines. Tunes are more complex than those in Levels 1 and 2. The beat may have variation and therefore, needs more practice.

The Guidebook has been prepared by USA Region 7 volunteers and is offered with Love to all devotees. Special thanks to Raagabox and RadioSai for giving us permission to use audio resources from their sites.
