

The Lord of the Universe is here
Swami Sathya Sai is here
Come to save devotees everywhere
Come to bless his children everywhere
Born at Puttaparthi
The Lord of the Universe is here

Calm and tranquil like the moon
Shining with Divine inner light
Filling all with Bliss at his sight
He is always serving those in need
Answering the prayers of devotees
Giving Grace to you and me
The Lord of the Universe is here

Sai you are Guru, God, and Self
Mother you are everything to us
Father you are everything to us
You are the Divine Primal Energy
Manifest as all that we ever see
You are the One Reality
The Lord of the Universe is here

Sai with the sacred form of Om
Universal radiance Divine
Please accept this offering of mine
The flame of love that burns within my heart
Meaning we can never be apart
You and I are ever One
The Lord of the Universe is here.
